Cannon handles the best of meat. It's tender, juicy, nice and sweet. Cannon's name is guarantee. And Cannon's meats look good to me. I've almost made myself a glutton. About "Tom" Cannon's nice choice mutton. And my very soul seems to find relief. In Cannon's pork and Cannon's beef. That steak he sells, as sure as you're born. Ain't reputed as coming from around the horn. Sensible folks there always flops. To get their fill of nice pork chops. Poultry, too, he has on hand. And I buy them there whenever I can. Those oysters there are fat and nice. And certainly worth two times the price. Don't chew the rag but chew some meat; Cannon keeps a line complete. Since brad alone, you cannot eat. Let Thomas Cannon sell you that meat.
